

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

SAEED KAID,

Plaintiff,

-against-

WARDEN E.L. TATUM, JR., et al.,

Defendants.

Case No. 1:20-cv-03643  
(JLR)

**ORDER**

JENNIFER L. ROCHON, United States District Judge:

The Court is in receipt of a letter from Plaintiff, who is incarcerated and proceeding *pro se*, dated May 7, 2023, received by the Southern District of New York on May 10, 2023, and docketed on May 24, 2023. ECF No. 120. In that letter, Plaintiff complains about treatment at the Metropolitan Detention Center (“MDC”), where he is currently confined. These complaints are separate and apart from the treatment at issue in this case, which occurred at the Metropolitan Correction Center (“MCC”) in and around 2017. *See* ECF No. 12 (“Amended Complaint”). Because the letter addresses potential new causes of action, the Court directs the letter to be opened as a new action.

Plaintiff’s letter, filed at ECF No. 120, is attached to this Order. The Clerk of Court is respectfully directed to open this matter as a new civil action, and to send a copy of this Order to Plaintiff.

Dated: May 25, 2023

RE: Kaidr. Tatum, Jr., et al., 20-cv-3145 (JLR)

Dear Judge Carter:

Greetings...

At this point its hard to even express myself due to the "emotional unrest"! While in this SHU, i am subjected to conditions that would shock the conscience of the average objectively reasonable member of the public. I endured it

this long hoping it would change but its only getting worse the closer the case gets to essential parts. I overlooked a lot of behavior but its clear what is going ~~on~~ <sup>on</sup> now. And for the following reasons etc. I ask you to please remove me from MDC and the employees that are apart of my Complaint. Their colleagues are aiding them and violating my 5th Amendment right to protection from cruel and unusual punishment.

1) At this point i am forced to write the court in pencil and micro size paper and front and back because this is all we receive every Sunday.

2) Not being allowed access to the Law Library once every 2 weeks now, the closer we get to these important deadlines,

3) The Law Library is shockingly inadequate, the printer doesn't work, there are no paper/pens,

4) My placement in SHV was and is improper, they claim it's for my protection, as if there doing an honest deed, but the truth is they could have transferred me to a prison that is safe long ago. They deliberately placed me in SHV to "chill" and restrain my 1<sup>st</sup> Amendment rights. This became evident when I realized my BP-8' and BP-9' concerning this are not being answered or ignored and not documented. The real purpose of placing me in SHV was RETALIATORY in response to my prior complaints, in my desiring to exercise my 1<sup>st</sup> Amendment rights to pursue complaints. All of the small details will show you no matter how much they try to clean it up and do it better than the first defendants in my complaint, the truth always come to the light.

5) I am subjected to (2) 15 minute phone calls a month, my phone and mail are heavily censored, and only the ones they feel are safe will make it out of this facility, they are all in cohorts and that is the reason I need to be removed from this jail. One way or another retaliation will show its head.

6) My Unit team tampers with my legal mail and it is often opened not in my presence. They are telling I ask them removing my "General Afters" for protest information needed for my protest. They are treating me as they ignore my complaints. There is a laundry list of things you honor ping pong ball things that occurring because I filed a complaint which I believe is my Rights. So now I have to suffer twice, by the very people who are supposed to be examples of Justice. But I'm seeing organized injustice.

7) They my Unit team illegally gave me an escape shot without report, knowing it was unjustifiably late and took away my rights due process by stating I refused the entire process and took 33 days good time from me.

8) Anything to discredit me and make them appear credible. I shouldn't have to be subjected to this constant retaliatory treatment your Honor.

9) After numerous requests I haven't received my Thoracic pain medicine in a month. Sorry that,

10) I can barely speak to my family, prepare for my child's criminal case. Any person or Attorney who tries to communicate with me, they try to chase them off, so I am ostracized and have no assistance. It's disgusting your Honor to see them try to be such criminals when they appear or try to appear to be so good and clean.

11) I hold them for anything as I could expect it to change but it hasn't. So I guess in response to explode and look like in the BAD person but I refuse to and simply ask that you separate me from my defendants and agents of them please. Thank you for your time and consideration.

Respectfully,  
Saeed Kaid  
p.s. Did you receive my prior letter regarding this dated April 30, 2023?
